

State/UA Budget cycles  
Yearly calendar of events

Month	BOR meetings	State budget cycle	UA Cycle
January	*	Governor's Budget introduced in Legislature first day of session as starting point	
		Legislative session commences ( <i>usually third Tuesday of the month, unless Gubernatorial election year - then one week later</i> )	
		House/Senate Finance committee budget subcommittees begin work	
February		House/Senate Finance subcommittee work	
March	*	Budget closeouts - House first/Senate next	
		(first-second week in March)	
		Budget goes to House Floor; then passed over to Senate	
		Public testimony on budget typical later part of February/early March	
April		Session adjourns 90 - 120 days	Budget conference committee deliberates before final approval of budget on both sides
May			Governor has 20 days from receipt of budget bill to review and sign budget bills
June	*	June 30 FISCAL YEAR END	BOR approves UA budget allocation for new fiscal year
			UA does closeouts on current FY budgets
July		July 1 FISCAL YEAR START	UA starts new FY budgets
August			UA Operating/capital budgets for new FY due to SW before August BOR meeting
			UA BOR budget meeting
September	*		BOR approval of following year tuition rates
October			
November	*		BOR meeting - finalize UA operating/capital budgets
			UA budget submitted to OMB for review
December		15-Dec	Governor releases new FY budget
		House and Senate have identical Governor's budget bills; House starts with Operating budget first, and passes over to Senate; although Senate works through budget at the same time; Senate deals with Capital budget first, and passes it over to the House - it's usually an end-of-session deal maker	
			*Opportunities to testify before BOR usually staged two weeks before regular meetings.
